## How to view property details

- **Navigating Search Results**

Your search results may include one, five, ten or hundreds of property records. Before you open a property record to review it in detail, you can optionally navigate to one that is of interest to you in the results list, then select and view it first. This can save you considerable time if your search results are large. In addition, after viewing record details, you can return to this list at any time to select another record. To view record details you have several options.

1. Click the row in the Results grid for the property you wish to view in more detail.
2. Results display 15 per page, this indicates the total number of properties in this result set.
3. Provides a printable summary of the Results grid.
4. Displays total number of pages this search returned. You can select a page number or click the next/previous arrows to navigate.

The screenshot shows a web interface for viewing search results. At the top, there is a header 'Results' and a link 'Click rows to view property details'. A yellow box in the top right corner indicates 'Displaying 1 - 15 of 38'. The main content is a table with five columns: 'Parcel ID▲', 'Owner Name', 'Property Address', 'LUC', and 'Jur'. The first row is highlighted in yellow. At the bottom left, there is a 'Printable Version' link. At the bottom right, there is a 'Results Page:' section with a dropdown menu showing '1' and buttons for '2', '3', and 'Next >>'. Numbered callouts are present: '1' points to the first row, '2' points to the 'Displaying' text, '3' points to the 'Printable Version' link, and '4' points to the 'Results Page:' section.

## How to view property details

- Browsing Property Details

Once you perform a desired search, you may view details about any of the properties in the Result grid. Select a property from your search results to view property record details. A Summary page opens with various details about the given parcel (Owner, Location, Sales, etc.).

1. Menu Options: on the left, provide additional record details (Addresses, Owners, Building characteristics, Maps, Pictometry, etc.). Click any category to navigate to that level of detail.
2. Record Navigation: on the right, allows you to view other properties from your search results. Click the arrows to view the next or previous record in the list. You may also return to your search results by clicking “Return to Search Results”.

The screenshot displays the property details for a parcel in Holliston, MA. The page is divided into three main sections: a left-hand menu, a central information area, and a right-hand navigation area. The left menu, titled 'Menu Options', lists various categories for further exploration, with 'Profile' currently selected. The central area, titled 'Property Information', provides specific details about the property, including its location, class, use code, district, and area measurements. The right-hand section, titled 'Record Navigation', includes a 'Return to Search Results' link and two 'Actions' (Printable Summary and Printable Version). A green arrow points from the 'Menu Options' label to the left-hand menu, and another green arrow points from the 'Record Navigation' label to the right-hand navigation area.
