Chairman Hannum called the meeting to order at 11:01 am. She stated that the purpose of the meeting was to discuss a parking problem at Pete's Sales and Service where vehicles are illegally parking in the State right of way on Route 7, blocking Mr. Pruhenski's sight line, making it difficult to safely exit from his driveway.

All parties toured the area and discussed the situation as well as possible solutions. Mr. Pruhenski and Mr. Batacchi agreed to try to communicate better and work together to assure that the sight line to the Pruhenski driveway is not blocked by vehicles illegally parking in the State right of way. Mr. Niles said his crew would paint larger no parking signs on the road in the Spring. Chief McGarry encouraged Mr. Pruhenski to call the Police Department every time he sees any illegal parking.

The Selectmen agreed to monitor the situation again in thirty days to determine if there has been any improvement.

Selectman Wood moved to adjourn the meeting, seconded by Chairman Hannum. The motion carried unanimously.

Chairman Hannum adjourned the meeting at 11:45 am.

Respectfully submitted:

Joseph A. Kellogg
