

Minutes of the Library Trustees Meeting  
Bushnell-Sage Library  
August 31, 2021

Present were Pat Levine, Martin Mitsoff, Joan Powers and Deena Caswell.

The meeting was called to order at 8:30 am.

There followed discussion of the possibility of the Library applying to be a host site for the Smithsonian's "Crossroads: Change in Rural America" exhibit and who might be interested in partnering with us on it. There was enthusiastic approval of proceeding with planning. A meeting with potential partners for ideas and input will be set up for sometime in the next two weeks.

The meeting adjourned at 8:55.

Respectfully submitted,

Joan Powers
