Southern Berkshire Public Health Collaborative to offer Southern Berkshire County Vaccine Clinic

The Southern Berkshire Public Health Collaborative will be hosting a Pfizer Bivalent Booster clinic for 5–11-year-old and 12+ years old at W.E.B DuBois (313 Monument Valley Road) in Great Barrington on Tuesday December 13th from 4-7 pm.

Regular dose flu vaccine will also be available. Those eligible for a booster shot you must have completed their primary series of the one dose Johnson & Johnson or the two dose Moderna or Pfizer vaccines. Pre-registration is required, walk-ins will not be accepted. If you need assistance registering, you can call Jill Sweet at (413) 717-7209 or Jayne Smith (413) 717-8922.

Please bring your insurance card and COVID card to the clinic. We are asking that you wear a short-sleeved shirt. Pizza will be provided for those that are vaccinated. Please register here: <https://home.color.com/vaccine/register/tritown>
